

Pain-Free, Hair-Free™ shatters the myth of no-pain, no-gain. The system's SHR™ technology and IN Motion™ protocol safely and gently heats the targeted area, which enables us to treat more aggressively. This results in less treatments which will **COST YOU LESS.**

During every treatment, hair in the active growth phase is eliminated. 8-12 treatments may be required between a 4-6 week gap for small areas and a 6-8 week gap for larger areas.

Prices are per treatment.
